71 *Be it enacted by the Legislature of the state of Utah:*

72 Section 1. Section **53A-15-202** is amended to read:

73 **53A-15-202. Powers of the board.**

74 The State Board of Education:

75 (1) shall establish minimum standards for ~~[applied technology]~~ career and technical  
76 education programs in the public education system;

77 (2) may apply for, receive, administer, and distribute funds made available through  
78 programs of federal and state governments to promote and aid ~~[applied technology]~~ career and  
79 technical education;

80 (3) shall cooperate with federal and state governments to administer programs which  
81 promote and maintain ~~[applied technology]~~ career and technical education;

82 (4) shall cooperate with the Utah College of Applied Technology, Salt Lake  
83 Community College's School of Technology, Snow College, and the College of Eastern Utah to  
84 ensure that students in the public education system have access to ~~[applied technology]~~ career  
85 and technical education at Utah College of Applied Technology campuses, Salt Lake  
86 Community College's School of Technology, Snow College, and the College of Eastern Utah;

87 (5) shall require that before a minor student may participate in clinical experiences as  
88 part of a health care occupation program at a high school or other institution to which the  
89 student has been referred, the student's parent or legal guardian has:

90 (a) been first given written notice through appropriate disclosure when registering and  
91 prior to participation that the program contains a clinical experience segment in which the  
92 student will observe and perform specific health care procedures that may include personal  
93 care, patient bathing, and bathroom assistance; and

(b) provided specific written consent for the student's participation in the program and clinical experience; and

(6) shall, after consulting with ~~[local]~~ school districts, charter schools, the Utah College of Applied Technology, Salt Lake Community College's School of Technology, Snow College, and the College of Eastern Utah, prepare and submit an annual report to the governor and to the Legislature's Education Interim Committee by October 31 of each year detailing:

(a) how the ~~[applied technology]~~ career and technical education needs of secondary students are being met; and

(b) what access secondary students have to programs offered:

(i) at applied technology colleges; and

(ii) within the regions served by Salt Lake Community College's School of Technology, Snow College, and the College of Eastern Utah.

Section 2. Section **53B-1-103** is amended to read:

Section 16. Section **53B-2a-113** is amended to read:

**53B-2a-113. College campuses -- Leasing authority -- Lease-purchase agreements -- Report.**

(1) In accordance with Subsection 53B-2a-112(2), a college campus may enter into a lease with other higher education institutions, ~~[public]~~ school districts, charter schools, state agencies, or business and industry for a term of:

(a) one year or less with the approval of the campus board of directors; and

(b) more than one year with the approval of the board of trustees and:

(i) the approval of funding for the lease by the Legislature prior to a college campus entering into the lease; or

(ii) the lease agreement includes language that allows termination of the lease without penalty.

(2) (a) In accordance with Subsection 53B-2a-112(2), a college campus may enter into a lease-purchase agreement if:

(i) there is a long-term benefit to the state;

(ii) the project is included in both the campus and Utah College of Applied Technology master plans;

(iii) the lease-purchase agreement includes language that allows termination of the lease;

(iv) the lease-purchase agreement is approved by the campus board of directors and the board of trustees; and

(v) the lease-purchase agreement is:

(A) reviewed by the Division of Facilities Construction and Management;

(B) reviewed by the State Building Board; and

(C) approved by the Legislature.

(b) An approval under Subsection (2)(a) shall include a recognition of:

(i) all parties, dates, and elements of the agreement;

(ii) the equity or collateral component that creates the benefit; and

(iii) the options dealing with the sale and division of equity.

(3) (a) Each college campus shall provide an annual lease report to the board of trustees that details each of its leases, annual costs, location, square footage, and recommendations for lease continuation.

(b) The president of the Utah College of Applied Technology shall compile and distribute an annual combined lease report for all college campuses to the Division of Facilities Construction Management and to others upon request.

(4) The Utah College of Applied Technology shall use the annual combined lease report in determining planning, utilization, and budget requests.

Section 17. Section **53B-6-101** is amended to read:

**53B-6-101. Additional responsibilities of the board -- Studies and evaluations --**

**Master plan for higher education -- Productivity -- Institutional student assessment --  
Biennial accountability report to the Legislature.**

(1) The board shall conduct continuing studies and evaluations of the facilities, grounds, buildings, and equipment at the higher education institutions under its jurisdiction and use space utilization and other studies conducted by the State Building Board.

(2) The board shall establish and maintain an up-to-date master plan which shall include:

(a) providing for statewide planning of public higher education in terms of aims, purposes, and objectives of the system as a whole;

(b) establishing and defining the role and programs of each institution within the system;

(c) establishing criteria for and determination of the future needs and requirements for new programs and new institutions and the elimination, curtailment, or consolidation of existing programs and facilities;

(d) providing for the initiation and financing of projects as considered necessary to meet and satisfy the projected patterns of growth and maintenance;

(e) establishing criteria for and determination of the operating and capital budgetary needs of each institution and the system as a whole;

(f) recommending the methods and sources of future financial support of the higher education system;

(g) establishing procedures for the development of maximum utilization of existing facilities as suggested by space utilization studies conducted by the State Building Board; and

(h) securing an adequate and coordinated program for the community colleges and ~~[applied technology/technical]~~ career and technical education programs in the institutions and departments in the state system of higher education.

(3) (a) The board may do all things necessary for the effective implementation of the statewide master plan as adopted and revised by the board from time to time.

(b) The State Board of Education and the Utah College of Applied Technology shall provide ~~[applied technology]~~ career and technical education staff assistance to the State Board of Regents in support of master planning activities related to ~~[applied technology]~~ career and technical education in higher education.

(4) (a) The board shall adopt rules and initiate programs to promote and increase productivity in the state system of higher education.

(b) The board shall require each college and university in the system to establish multiple measures of institutional and student assessment in order to improve student instruction, academic programs, and learning opportunities.

(c) The board shall submit a biennial accountability report to the Legislature, which shall include such factors as:

(i) space utilization, faculty productivity, and other similar measures of the management of institutional resources at each institution; and

(ii) student assessment at entry to each institution, at critical midway points, and at exit.

(d) The board shall establish a systemwide committee to address assessment and accountability issues and propose essential elements to be included in the biennial report.

Section 18. Section **53B-16-102** is amended to read:

**53B-16-102. Changes in curriculum -- Substantial alterations in institutional operations -- Periodic review of programs -- Career and technical education curriculum changes.**

(1) Under procedures and policies approved by the board and developed in consultation with each institution of higher education, each institution may make such changes in its curriculum as necessary to better effectuate the institutional role previously approved by the board.

(2) Notice of a change in the curriculum shall in all cases be promptly submitted to the board.

(3) The board shall establish procedures and policies for considering institutional proposals for substantial alterations in the scope of existing institutional operations.

(4) Alterations shall not be made without prior approval of the state board.

(5) For purposes of this section, "substantial alteration" means the establishment of a branch, extension center, college, professional school, division, institute, department, or a new program in instruction, research, or public services or a new degree, diploma, or certificate.

(6) The board shall conduct periodic reviews of all programs of instruction, research, and public service at each institution, including those funded by gifts, grants, and contracts, and

993 may require the modification or termination of any program.

994 (7) Prior to requiring modification or termination of a program, the board shall give the  
995 institution adequate opportunity for a hearing before the board.

996 (8) In making decisions related to [~~applied technology~~] career and technical education  
997 curriculum changes, the board shall request a review of the proposed changes by the State  
998 Board of Education and the Utah College of Applied Technology to ensure an orderly and  
999 systematic [~~applied technology~~] career and technical education curriculum that eliminates  
1000 overlap and duplication of course work with the high schools and the Utah College of Applied  
1001 Technology.

1002 Section 19. Section **53B-16-205** is amended to read:
